

IMPLEMENT CLIENT SCRIPT & UI POLICY (INCIDENT)

Phase 8: Project Demonstration Phase

Date	30/09/2026
Team ID	6ab223b8fc67a5bc022251cc
Project Name	IMPLEMENT CLIENT SCRIPT & UI POLICY (INCIDENT)

Demonstration:

The completed project was demonstrated using ServiceNow Incident records.

The demonstration included:

- UI Policy execution.
- Automatic urgency updates.
- Mandatory field validation.
- Save-time restrictions.
- List edit prevention.

Outcome:

The demonstration confirmed that the project successfully improved data integrity, reduced manual errors, and enhanced Incident Management efficiency.
